

STUDENT SMALL GROUP SESSION COMMENTS:

Question #13- Other comments or suggestions you would like to make about the small group session? Other notes/comments

Wow! I did not expect the reaction that this session caused! Amazing. Very useful.

It was life-transforming

I wish we would have gotten even more time and wish more people could do this. This was so amazing keep doing what you do, it is amazing and now I feel like I don't have to hide and keep myself isolated anymore.

I think it really made me think about how I treat others and I should stop being a bystander and start being a person that lends a hand when needed more often, in school and out of school. And to not judge based on appearances/rumors.

The small group session has really great to be in because it made me have a lot more respect for people I didn't really know about.

I just wanted to say thank you for giving us this opportunity to open up to our friends and classmates. It gave me, and all of us the courage to change for the better, and it encouraged us to give our best to everything we do

I wish I could do it all over again and I would recommend this to every school out there

This should be everywhere, this brought everyone together

More sessions = more impact & effect. WE NEED MORE SESSIONS LIKE THIS!

Empowering

Telling everyone my story really lifted a weigh off my shoulder.

I loved it, it was calming and freeing in a way and I would recommend it to anyone. Thank you.

I know that the small session brought everyone together a lot more, and as a whole I think we definitely needed that

I think this group session has been the most helpful and useful thing to come to our school and actually help make the students want to change.

I cannot explain how powerful and useful I found this. I wish you could come every year and I want you to know that after this group session everyone joined together at lunch and we all apologized and gave hugs to each other. Your words are powerful Dwayne, thank you for this. We needed it.

This group session hopefully would be done yearly so that students would be reminded that we should treat each other with respect
